FROM: Herbert E. Hetu
Assistant to the Director
(Public Affairs)
SUBJECT: AP Article on Soviet Weapon
Test

You asked at the morning meeting on 2 June to find out, if possible, where the information in the attached AP story on a Soviet weapon test originated. I checked with [] office (ASD(PA)). They don't know where the original story came from. However, it did spark a number of queries from the media which necessitated the attached answer which was made available to the Pentagon press corps as a result of the AP story.
